REVOLUTIONARY AUDIO

THE POWER OF PURE AUDIO

RIVA designed Turbo's audio utilizing components typically found in high-end home audio systems to deliver unparalleled audio quality in a mobile package.

- 45 watts RMS of power - Highest in class
- Seven unique ADX™ drivers that reproduce more of the musical spectrum than any comparable product
- Proprietary 3-channel amplifier with advanced digital signal processing to maximize audio quality

ROBUST BATTERY

Imagine all of the audio you can experience in 26+ hours!

- 26+ hours of battery playing time at 75 dB
- 6+ hours of battery playing time in TURBO mode at max volume

Note: These hours are approximate based on averages as tested in our laboratory.

CHARGE OUT

Charge Out allows you to charge your phone, tablet or other devices directly through the Turbo X. Extend your listening pleasure anywhere you go!

MOBILE APP

The RIVA Ground Control app allows you to operate your Turbo X directly from your phone or tablet. All cap touch functions from the unit are replicated in the RIVA app. Downloads available for iOS and Android™. True "Ground Control."

PATENTED WORLD-CLASS DESIGN*

- Seven capacitive touch control buttons
- Proximity sensing power on wake
- Smart LED lighting indicators
- Energy Star certified
- Available colors:
 - Black
 - White with Silver

APT^X® BLUETOOTH®

Retain the full integrity of original audio and impressive dynamic range with CSR aptX® and Bluetooth®.

INPUTS

Turbo X is more than just a mobile Bluetooth® speaker. We provide more inputs for you to enjoy more content.

- 3.5 mm Analog connector
- Micro-USB Type B connector for software updates
- Standard Type A USB connector for Charge Out
- DC Power connector
- Illuminated Battery Status
- Battery On/Off button to conserve battery life when not in use

TRILLIUM™

The RIVA Difference! Trillium™ is our proprietary audio technology that enlarges audio image while allowing the power of the audio to be reproduced without excessive compression. What does this mean for you? You get truly immersive sound with deep, powerful bass.

TRILLIUM™ SURROUND

Multi-dimensional surround sound designed to enhance the audio-visual experience of movies, video games, TV and more.

TURBO

RIVA's TURBO EQ mode boosts sound to over 100 dB! Maximize your listening pleasure for a party, movie, or a battle against the evil forces in your favorite video game.

CRYSTAL CLEAR SPEAKERPHONE

- Noise and echo cancellation processing technology improves audio quality during conference calls.
- Turbo X's automatic teleconferencing EQ setting maximizes the mid range to deliver crystal clear voice.

* RIVA Turbo X design is patent pending.
