START ME UP! SET UP RIVA WAND ON A WI-FI NETWORK

To connect your RIVA WAND speaker to a Wi-Fi network, follow these steps:

1. Power on your WAND speaker by plugging it into the wall.
2. Wait for the pulsing BLUE LED light to turn to a pulsing WHITE light.
3. Your speaker is now ready to be connected via one of the options below.

NOTE: We recommend you play WAND for 3 hours at 50% volume to “break in” the speakers for maximum acoustic performance.

SET UP WITH GOOGLE HOME APP

Chromecast built-in is a platform that lets you stream your favorite music from your phone, tablet or laptop right to your speakers. Easily control your speakers with apps you already know and love from your iPhone®, iPad®, Android phone or tablet, Mac® or Windows® laptop, or Chromebook.

Download the Google Home app directly from Google Play™ or the App Store™ and start playing!

FOR ANDROID AND IOS DEVICES

1. Connect your phone or tablet to a Wi-Fi network.
2. Make sure your Bluetooth is ON for iOS devices.
3. Open the Google Home app and sign in to your Google Account.
4. The RIVA SPEAKER will appear as “New device found” at the bottom of the Home screen or in the Devices screen in this format: RIVASPEAKER*****.
5. Tap SET UP and follow the instructions.

WAND AUTOMATIC SOFTWARE UPDATES

As soon as your speaker is connected to Wi-Fi it will search for automatic software updates.

- If an update is available, the LED light ring will cycle flashing Red/Blue/Green until the update is complete.
- DO NOT unplug the power when the speaker system is updating.
- The speaker will automatically reboot and reconnect to the Wi-Fi when completed.
- Your speaker is connected to Wi-Fi and ready to use when the LED light ring is solid white.

SET UP WITH AIRPLAY®

AirPlay allows you to remotely control and play content to your AirPlay enabled RIVA WAND speakers from your iOS phone or tablet. AirPlay works with iPhone, iPad, and iPod Touch with iOS 4.3.3 or later, Mac with OS X Mountain Lion or later, and PC with iTunes 10.2.2 or later.

1. Connect your AirPlay enabled phone, computer or tablet to the Wi-Fi network.
2. Go to Wi-Fi settings in the Set Up New AirPlay Speaker section, select “RIVASPEAKER*****.”
3. Tap Next and wait for confirmation of connection.
4. When the pulsing WHITE LED light turns solid WHITE, your RIVA speaker is now connected to the Wi-Fi network.

* For additional help with setting up https://support.apple.com/en-us/HT204289.
GET PLAYING!

Now that you are connected to Wi-Fi, let’s get playing. Choose any Chromecast or AirPlay® enabled app or Spotify Connect to start enjoying sound as close to LIVE as it gets!

STREAM YOUR FAVORITE MUSIC FROM YOUR PHONE, TABLET, OR LAPTOP TO YOUR SPEAKER[S].

1. Choose from millions of songs from popular music services like Pandora, Spotify and Google Play Music.

2. Open any Chromecast-enabled app.

3. Tap the Cast button from apps you already know and love. No new logins or downloads are required.

4. Select speaker or group of speakers.

Use your phone to search, play, pause, and turn up the volume from anywhere in the home.

While you’re streaming you can keep using your phone for other things — scroll through social media, send a text and even accept calls.

* Visit https://www.google.com/chromecast/built-in/apps/#?speakers for a list of compatible apps.

LISTEN WITH AIRPLAY®

1. Connect to the same Wi-Fi network on your iOS device and the device that you want to AirPlay to.

2. On your iOS device, swipe up from the bottom of your screen to open Control Center.

3. In Control Center find the Now Playing screen.

4. Select your RIVA WAND speaker from the list of available AirPlay devices.

5. Start playing!

HOW TO USE CONNECT

You’ll need Spotify Premium to use Connect – see details overleaf.

1. Add your speakers to your Wi-Fi network (see product user instructions for details).

2. Fire up the Spotify app on your phone, tablet or PC using the same wi network as above.

3. Play a song on Spotify and hit ‘DEVICES AVAILABLE’.

4. Choose your speakers and your music will start playing out loud. Happy listening.

AWAY MODE SET UP

Want to take WAND to the beach, park, or the backyard? The great outdoors are calling! Away Mode allows you to create your own network* of one or more WAND speaker[s] when there is no Wi-Fi network available. Add in the optional ARENA battery for over 20 hours of playing time.

Follow these steps to create a network of WAND speaker[s] no matter where you are:
1. Flip switch from Home to Away.
   • The LED ring will change to orange.
2. Go to the Wi-Fi Settings in your phone or tablet to choose the primary speaker.
   • NOTE: The name of the speaker will read “RIVA SPEAKER Name” followed by a six digit code.
3. Connect to the speaker by tapping the speaker name and entering the password: 12345678.
   • You will have the option to change the password.
4. To add additional speakers in Away Mode:
   • Set additional speakers to Away Mode.
   • On primary speaker, press the play/pause and — buttons simultaneously for three (3) seconds until the LED light ring blinks once.
   • On secondary speakers, press the play/pause and + buttons for three (3) seconds until the LED light ring blinks once.
5. The primary speaker will start by showing a yellow LED light and will change to the input source LED color accordingly. The secondary speakers will show a white LED light.

PLAY SAFE IMPORTANT SAFETY INSTRUCTIONS

Your RIVA WAND speaker is designed and manufactured to operate within the defined design limits, and misuse may result in electrical shock or fire. To prevent your speaker from being damaged, the following rules should be observed for installation, use and maintenance. Please read the following safety instructions before operating your WAND speaker. Follow all instructions. Keep these instructions in a safe place for future reference and heed all warnings.

**DO NOT...**

- Use the WAND speaker near water or pour water/other liquids on the unit.
- Submerge your WAND speaker in any liquid.
- Install near any heat sources such as radiators, heat registers, stoves or other apparatus (including amplifiers) that produce heat.
- Puncture, throw, kick/punt, shred, crush, step on, microwave, light on fire, or toss your WAND speaker in the dishwasher.
- Insert foreign objects into your WAND speaker.
- Leave or store the WAND speaker or any accessories over or near your car’s airbag. Serious injury may result if the airbag deploys.
- Place the WAND speaker on high surfaces where the speaker may shift or fall off the edge.
- Block ventilation openings.
- Allow the power cord to be walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Disassemble, paint, or blanket in stickers.
- Drag sharp objects across any surface.
- Leave in the sun for extended periods.
- Place in low or freezing temperatures.
- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Use the included cords in the WAND speaker packaging for any purpose other than their intended one.
- Defeat the safety purpose of the polarized or grounding type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit your outlet, consult an electrician for the replacement of obsolete outlets.

**CAUTION**

- Install in accordance with manufacturer’s instructions.
- Use only the manufacturer supplied power supply and accessories with your WAND speaker.
- Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Listening to music at high volume over extended periods of time may damage your hearing. The maximum volume levels achievable with RIVA speakers may exceed safe levels for extended listening. RIVA accepts no liability for hearing loss, bodily injury or property damage as a result of use or misuse of this product.
- Only use attachments/accessories specified by the manufacturer.
- Replace only with the same or equivalent type.
- Danger of explosion if battery is incorrectly replaced.
- A warning that batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.
- WAND will enter network standby mode after 15 mins without a connection. Standby power consumption is less than 2W. WAND will wake up with any active signal.
- The Class B digital apparatus complies with Canadian ICES-3 (B)/NMB-3(B).
- The user manual for local area network devices shall contain instructions related to the restrictions mentioned in the above sections, namely that:
  (i) the device for operation in the band 5150-5250 MHz is only for indoor use to reduce the potential for harmful interference to co-channel mobile satellite systems;
  (ii) the maximum antenna gain permitted for devices in the band 5725-5825 MHz shall comply with the e.i.r.p. limits specified for point-to-point and non point-to-point operation as appropriate.
  (iii) the worst-case tilt angle(s) is compliant with the e.i.r.p. elevation mask requirement set forth in Section 6.2.2(3).
  (IV) RW10001 RIVA ARENA, Wireless Chromecast built-in, Wi-Fi, Bluetooth, and DLNA 45W 3 channel speaker system.
IMPORTANT SAFETY INSTRUCTIONS

WARNING
To reduced the risk of fire or electric shock, do not expose this apparatus to rain or moisture.

The apparatus shall not be exposed to dripping or splashing. No objects filled with liquids, such as vases, shall be placed on the apparatus.

An appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.

The symbol is intended to alert the user to the presence of uninsulated dangerous voltage within the product’s enclosure that may be of sufficient magnitude to constitute risk of fire and electric shock.

The symbol is intended to alert the user to the presence of important operating and maintenance instructions in the literature accompanying this product.

CARE
Do not clean your WAND speaker while it is plugged in because doing so could result in electric shock.

Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.

Clean your WAND speaker with a soft, dry cloth, preferably microfiber. Do not use steel wool, grill brushes or other abrasive cleaners.

Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as: power-supply cord or plug is damaged, liquid or other foreign objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

If your WAND speaker is under the weather, contact us at support@rivaaudio.com. Remember, you have a warranty, rivaaudio.com/warranty, and we know how to make them feel better!

RIVA vouches that no entertainment or sports celebrities were used or exploited in laboratory testing during the development and creation of the RIVA WAND speakers.

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

“License” shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

“Licensor” shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

“Legal Entity” shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, “control” means (i) the power, direct or indirect, to cause the direction or management of such an entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

“You” (or “Your”) shall mean an individual or Legal Entity exercising permissions granted by this License.

“Source” form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

“Object” form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

“Work” shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

“Derivative Works” shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

“Contribution” shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, “submitted” means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as “Not a Contribution.”

Third-Party Licenses

“Contributor” shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You the right to receive Contributions made by such Contributor to the Work from its Contributors, and to exploit those Contributions in any way you choose, subject to the following conditions:

(a) You must cause any redistributed Derivative Works to be eligible for the next End-of-Lifetime, if any,

(b) You must cause any Source files or notice, this list of conditions and the following disclaimer.

(c) You must cause any modified files to carry prominent notices stating that You changed the files; and

(d) You must cause any Source files which You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works.

FOR STEREOPHONIC SOUND

RIVA’s patented Trillium™ audio technology delivers stereophonic sound from a single speaker to fill any room with music filled with rich and powerful bass.

To get the most out of your RIVA WAND speaker, place the speaker about 3-6 inches (8-15 cm) from a wall or corner to take advantage of the natural acoustics of the room. (see diagram)

A. Best - In any corner
B. Really Good - Solid, reflective surface behind the WAND speaker
C. Good - Open area or outdoors
