

SET UP INSTRUCTIONS

1. Connect the RIVA Voice speaker to AC power. Wait for the pulsing light ring to change from blue to white.
2. Download the RIVA Voice app from Google Play™ or the App Store™ to get started.
3. Follow the instructions in the app.

*If you see the light ring pulsing a **RED**, **GREEN**, **BLUE** pattern, your RIVA Voice Series speaker is performing an over-the-air update. **DO NOT** interrupt this process. (see page 11)*

Like all Wi-Fi products, we recommend you have a strong Wi-Fi signal for the best performance.
